**MEASUREMENT**

The energy data from GMG's equipment monitoring was compared with meter data provided by customer for whole of store energy consumption. Data was recorded by three-phase Wi-Fi Energy Meter. Reportable contents included active energy, active power, voltage, current and frequency.

EQUIPMENT

Daikin Split Unit
Model : AXO014PAY189

PHOTOS

INSTALLATION

Pre-service logging of energy took place from 15/6/2024.

Servicing of THERMAL-XR® took place on 28/6/2024.

Daily kWh energy usage was compared pre/post service using regression model datasets.

DATA

Air Conditioning Daily 24 hr	Average Daily Outdoor Temp Temperature (°C)	Average Daily Outdoor Humidity	Average Daily Room Temp Temperature (°C)	Average Daily Room Humidity	Average Daily kWhr Consumption
PRE TXR	30.19	74.58	24.52	73.15	70.10
POST TXR	29.33	75.05	24.82	73.28	62.05
% Improvement	-2.85%	0.63%	1.23%	0.19%	-11.49%

Energy Reduction
11.49%

Daily Energy Consumption

GMG is a clean-technology focused company which aims to offer energy-saving products and solutions and energy storage products, enabled by Graphene manufactured in-house via a proprietary production process.

GMG developed and proved its proprietary production process to produce GMG Graphene. This process produces high quality, low input costs, scalable, tuneable and low contaminant Graphene suitable for use in clean-technology applications. GMG's focus has been developing applications for **ENERGY SAVING AND ENERGY STORAGE SOLUTIONS**.

Customer Delivery Focused

Delivery of customer requirements are key to the business.

Innovate to Deliver

Continuous improvement in all parts of the business is practiced and no one person/manager holds the key to "logic". Company language allows coming up with new ideas in a safe environment.

No Harm To People Or Environment

Employee leadership at all levels shows and acts to not harm people, including employees, contractors and customers & the environment with our process, product or any other part of the business.

THERMAL-XR® *powered by GMG Graphene* is a Graphene Manufacturing Group Ltd brand.
